Cruiser class: cruiser 17 and older (24" bikes)

Age classes in first stage by 2016 year.

The competition starts with timed races. Each participant has the opportunity to ride 3 races, the better result of which will be taken into account. Based on timed races, bikers are placed into final races in second day according to age classes. An age class is opened in case at least 3 participants take part. If there are less participants, the participants are switched to the next age class.

The competition will be conducted in 5 stages and the results of the four best stages will be taken into account.

Points on a stage will be given according to ranking on the stage. 1st place 1 point, 2nd place 2 points, 3rd place 3 points etc. The participant with the least points accumulated in four races is the winner. In case of equal results the participant with the best time will be regarded.

5. Awarding Ceremony

The three best of each stage will be rewarded with medals and material prizes.

Prize ceremonies take place after the end of each race day.

In summary the three best of each age class will be rewarded with a cup and material prizes. The summary prize ceremony will take place on March 15 after the end of the last round.
